0 In Alabama, boats 18-16 ft and made after 2023 are titled. Boats greater than 26 ft are titled

¹ If the state does not require titles, UCC is needed for motors unless the motor is an I/O.

² In California, single wide trailer mobile homes are titled, double wide trailers are not.

³ In New Mexico, a motor title is only required if serial number for the motor appears on the boat application.

⁴ In Virginia, no motor title is required - the motor information prints on the boat title.
